BEGINNINGS

Years fade beginnings. They are either unimportant or we are too small to remember them. But most seniors before receiving their diplomas pause and remember one beginning.

A large brick building with tall windows,

Heavy doors that would not open with little tugs.

The warmth of a Mother's hand.

The emptiness and confusion when she was gone--

We were alone.

Alone in a room of strange children,

Children whose blurred images and

Partial names occur in flashes

Faces seen everyday. Faces seen once and then

Never seen again.

We were alone together. We learned to laugh together,

To cry together. We learned to read, write,

And reason together.

It was a beginning--those first faltering steps,

But it was only the preface to the real beginning.

At last we stand together in front of the world,

A world with doors of opportunity that only yield to

The pressure of a determined, prepared hand.

THIS is the Beginning!

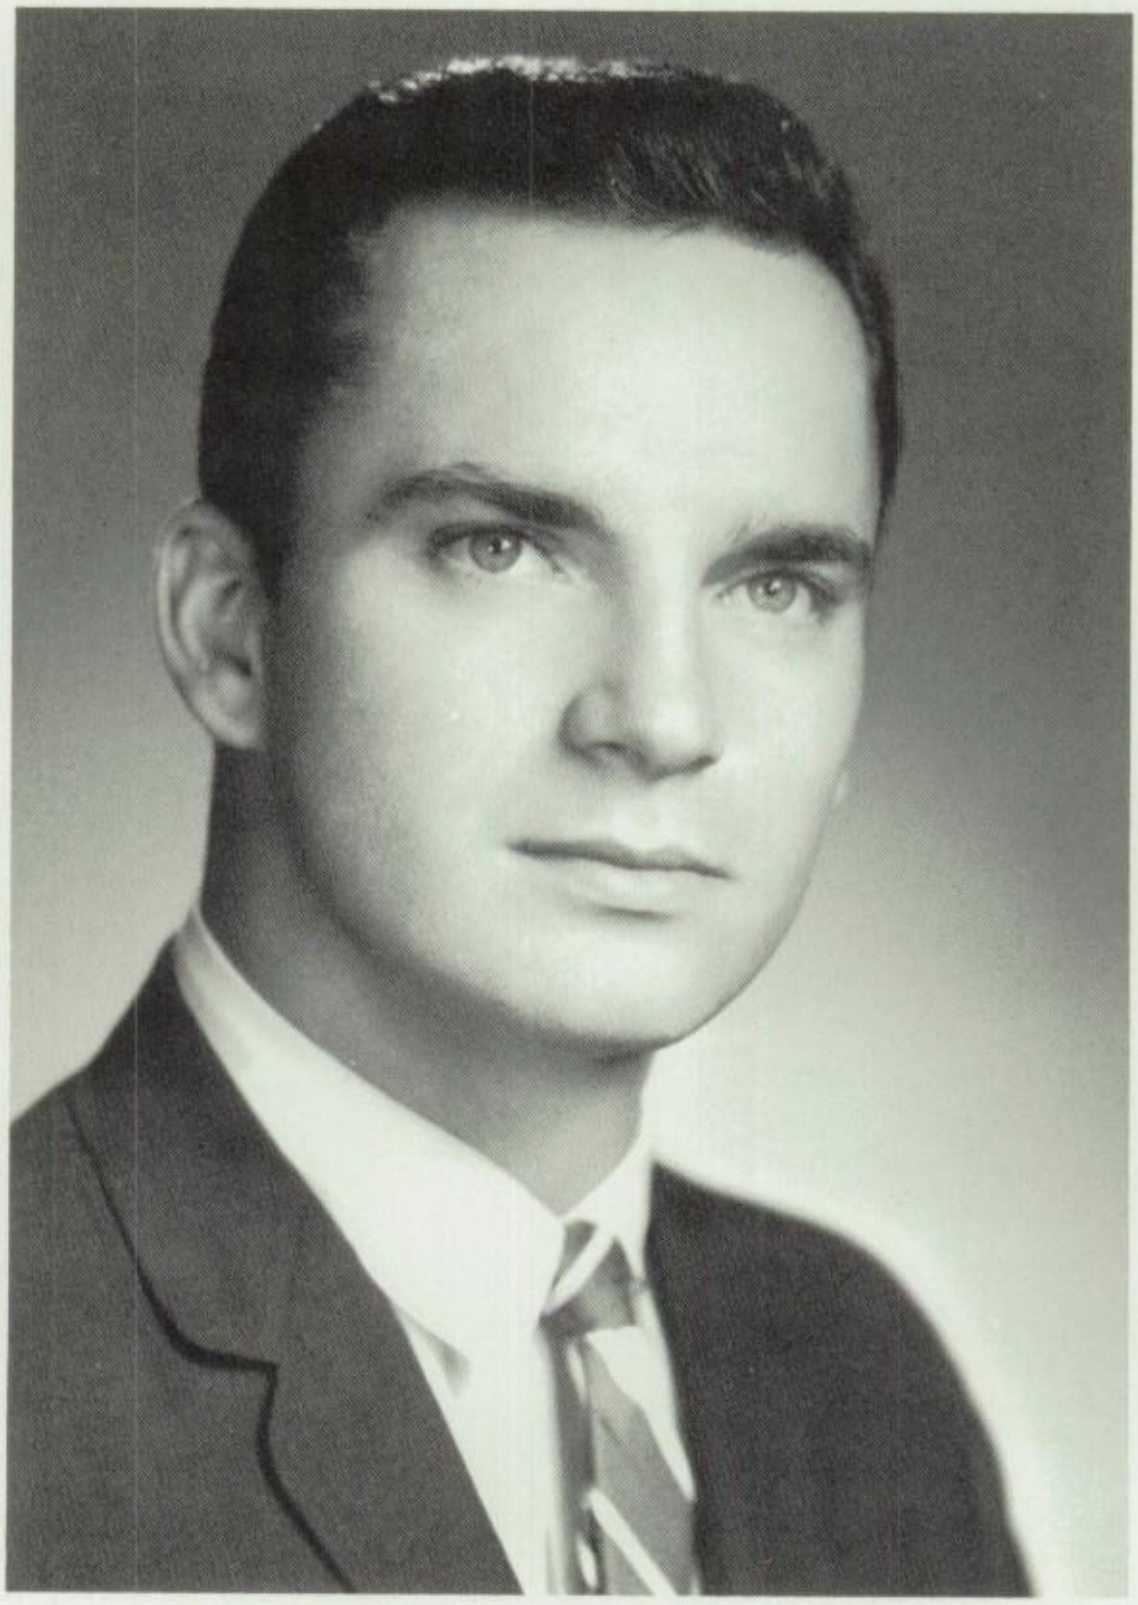
DEDICATION



THIS ANNUAL WE PROUDLY DEDICATE TO MR. SCHWERDTFEGER. WE HONOR THE JOB HE HAS DONE TEACHING US HISTORY AND GOVERNMENT—PREPARING US WELL FOR THE YEARS TO COME. WE ALSO RESPECT HIM FOR BEING AN OUTSTANDING CLASS ADVISOR, FOR WE KNOW BETTER THAN ANYONE ELSE THE DIFFICULT TASK IT WAS.

THANK YOU, MR. S., FOR YOUR ENCOURAGEMENT, YOUR OPINIONS, YOUR SENSE OF HUMOR, AND MOST OF ALL, YOUR PATIENCE, WHICH MUST HAVE BEEN TRIED MANY TIMES. MAY OUR FRIENDSHIP BE A LASTING ONE.

THE CLASS OF 1967

07

ADMINISTRATION

OFFICE

Mr. Thom
SUPERINTENDENT

The administration of our school system is composed of two fundamental parts--the Board of Education and the Superintendent.

The Board of Education is made up of seven elected members of the community. The purpose of the Board is to chart a plan of action. This is done through the policy making privileges which the State of Illinois allows each community School Board.

The Superintendent carries out the plan of action formulated by the School Board. It is the Superintendent that oversees the day to day operation of the school.

FROM OLD TO NEW IN '67

All year students, faculty and the administration alike anxiously awaited the big move from the old building into the new addition. We wished through December and pleaded into May until during the last week of school, classes were held in the four new classrooms.

The Commercial Complex is composed of two rooms divided by a glass panel, allowing typing students to use the machines and not disturb the class in progress on the other side of the glass wall.

The English room gives a bright and cheerful atmosphere to Frosh, Soph, Junior, and Senior English classes.

The Math room is equipped with overhead projector, coordinate axis desk tops, and extra room--facts that will make math much easier to teach and learn.

The new History room is in the downstairs of the new section and holds a monopoly on coolness for the early fall heat. With new desks and new visual aids, History can begin to live for the student.

07

ACADEMICS

ENGLISH
I, II, III

CHARLES VAN TIGER
Northern Iowa University, B.A.
Majors--English, History
Minor--Education

This year Elizabeth received a new English teacher, Mr. Charles Van Tiger. In his classes of Freshman, Sophomore, and Junior English, he stressed phases of literature from all over the world. The writing of themes every Friday also helped the students learn to express themselves better.

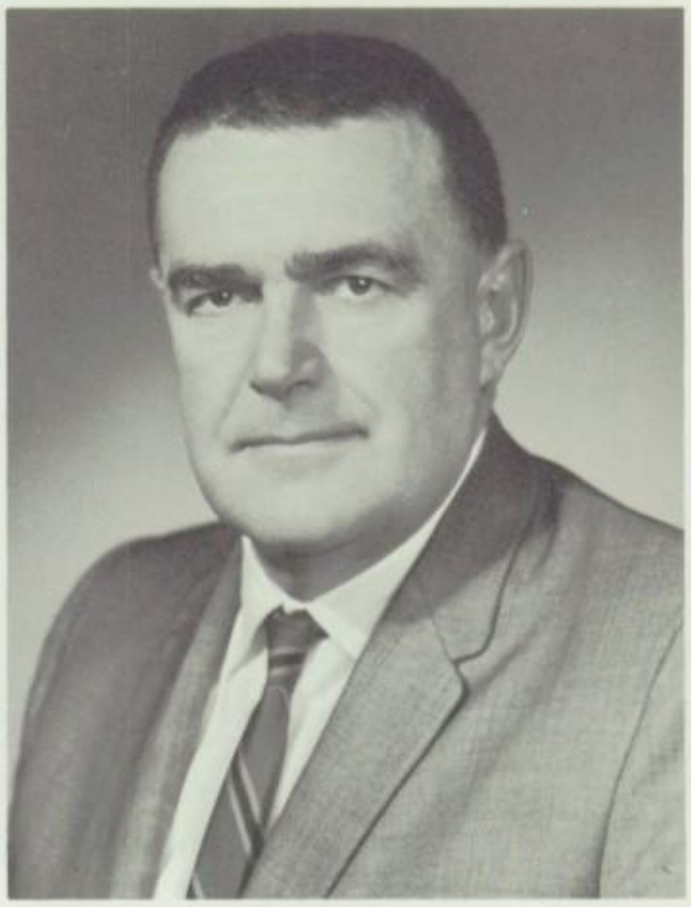
The Freshman class read the Greek masterpieces, THE ODYSSEY and THE ILLIAD, along with a study of mythology.

The Sophomores were busy with grammar short stories and plays.

The Juniors read several Russian plays and studied American literature from its earliest days to the present.

All in all it has been an interesting and educational year for Mr. Van Tiger's classes. Outside reading was stressed quite firmly while his classes were easy going and informal.

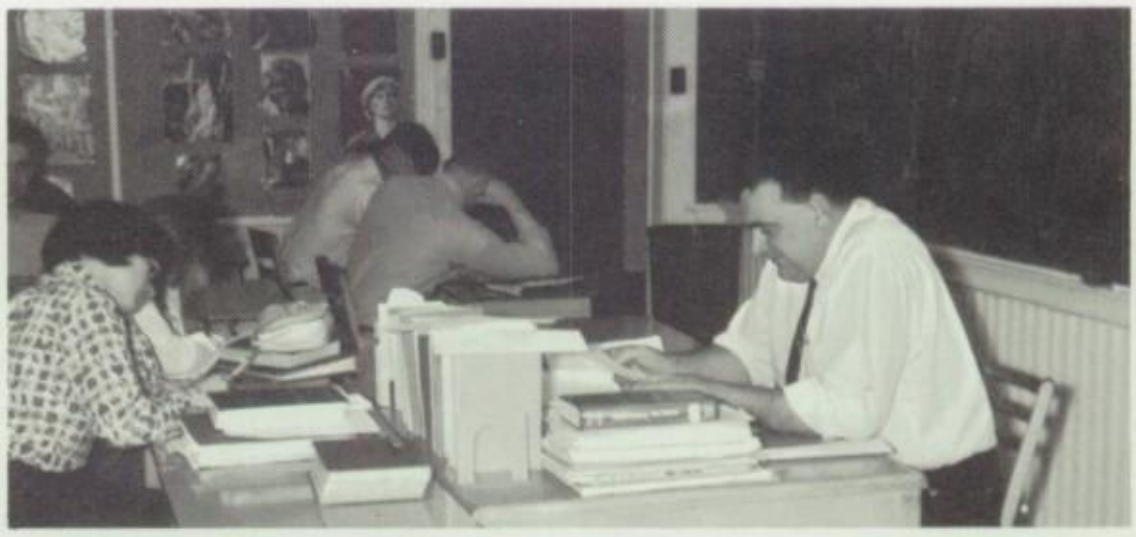
ENGLISH IV
COUNSELING
GENERAL MATH



ARTHUR READ
Wisconsin State College, B.S.
University of Wyoming, M.Ed.
University of Iowa
Major--Guidance & Counseling
Minor--English
Math

In charge of our guidance program is Mr. Read. Any student needing counsel of any kind can always find him willing to help. There are four phases of the counseling program:

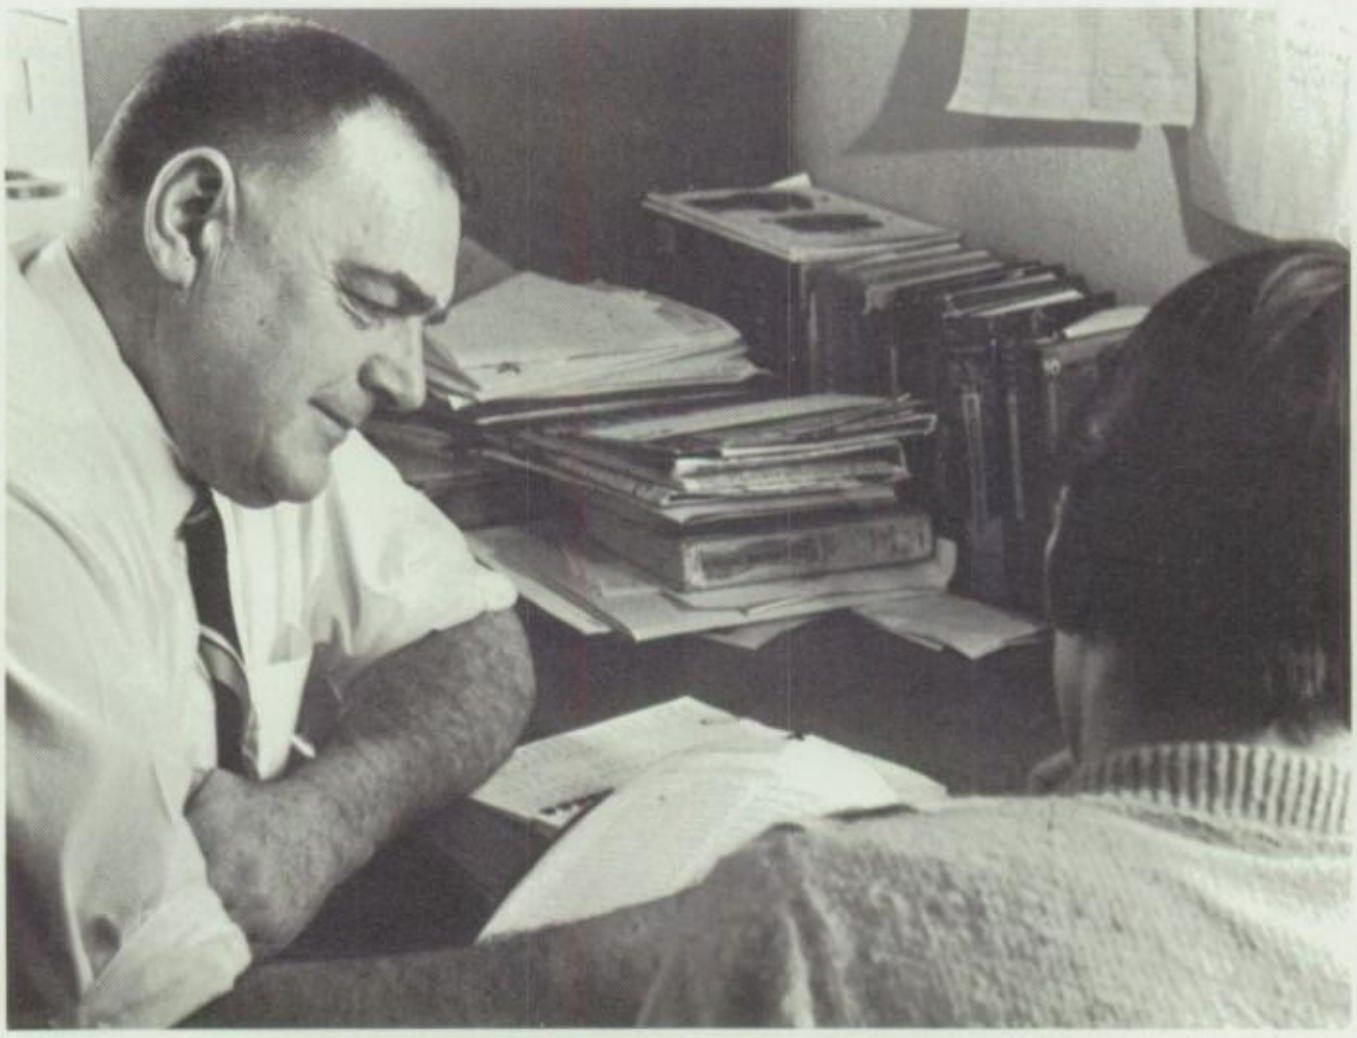
1. College preparatory
2. Testing program
3. Personal problems
4. Career



Some of the various tests that are given at Elizabeth throughout both grade and high school are the California Short-Form Mental Test, the National Educational Development Tests, the National Merit Qualifying Test, and the Kuder Interest Test. For Juniors bound to college, the Preliminary Scholastic Aptitude Test is given.

Mr. Read also teaches General Math. In this class the freshman learn principles and techniques of everyday math.

Senior English is another of Mr. Read's jobs. The fourth year of English is characterized by study of English literature, Practical English exercise and weekly themes.



MATHEMATICS

ROBERT THOMAS
University of Dubuque, B.S.
Major--Mathematics
Minor--Physical Education

Algebra I
Algebra II
Geometry
Math IV
College Math

Mr. Thomas was kept busy this year teaching six math subjects.

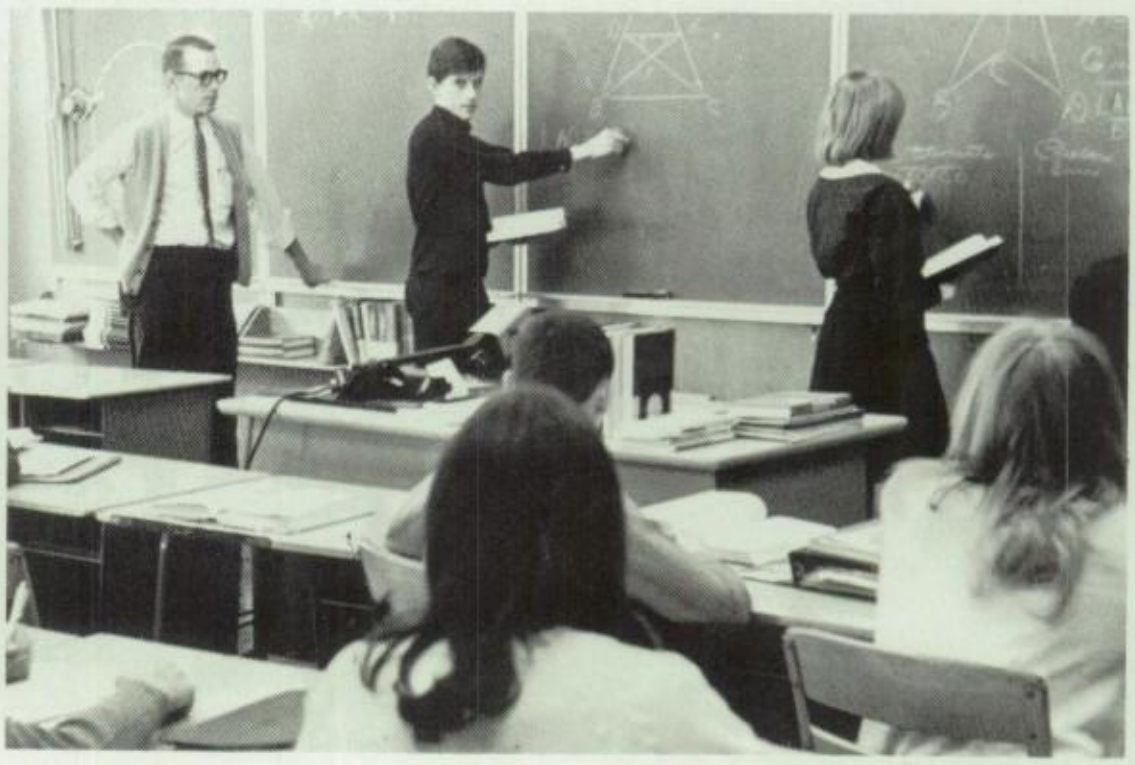
There were two Algebra I classes, one being formed at the second semester from part of the General Math Class. These classes, composed of Freshmen, learn the basic fundamentals of Algebra.

The Geometry Class--mostly Sophomores--used a new textbook this year. Besides teaching basic theorems, definitions, and assumptions--Geometry should help to develop logical thinking.

The third year of math is Algebra II. This class reviews and expands upon the Algebra I course.

The math for the student's fourth year is called Math IV. This year the class studied a variety of subjects using a variety of texts--trigonometry, matrices and vectors. As the school year came to a close, the class concentrated on individual projects with choices of subjects being logic, computers, and the history of math.

The Math V class was group of college bound Seniors who had taken four math courses in three years. For the Senior year they slowly explored the subject of Calculus. They hope that this taste of a college course will help them when they hit the real thing.



MUSIC

Band
Chorus

THEODORE SODT
Western Illinois University
B.S. ed. M.S. ed.
Major--Music

In our school one music teacher is kept busy with a schedule that includes a part of every grade from first through twelfth.

Mr. Sodt has music classes for the first six grades. When a student reaches the fifth grade, he is eligible to begin lessons on an instrument, and upon reaching a particular level of performance, is inducted into Junior Band. As he progresses, he will graduate to Senior Band.

Senior Band and Girl's Chorus, with their well-filled schedules, are two favorite activities for many high school students. The band and chorus presented three concerts this year. Besides these opportunities to perform as a group, they also participated in the State Music Contest.

Our music classes do more than teach music. Hopefully, they develop poise, train the memory, provide opportunity for social development, and help to make each day a little brighter.

HOME ECONOMICS

Home Ec. I, II, III, IV

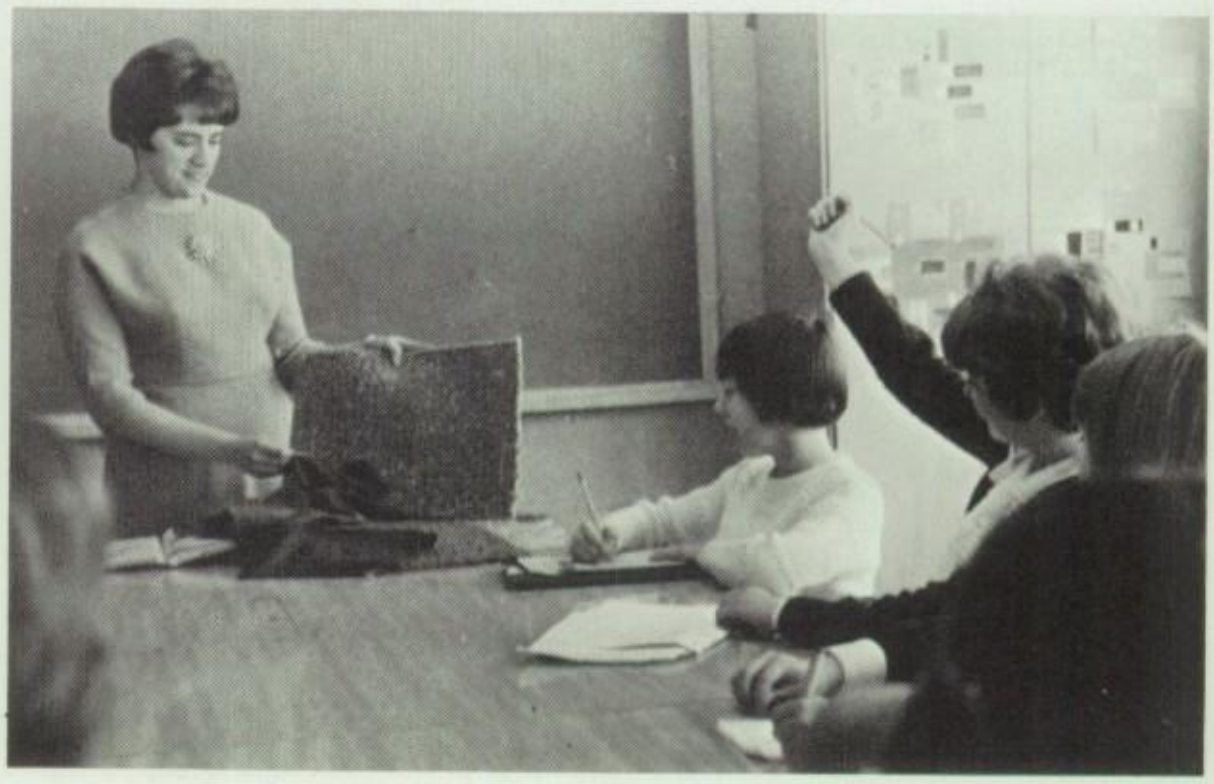
JOAN RIPPERGER
Iowa State Univ. B.S.
Major--Home Economics ed.

Miss Ripperger had four classes of home making this year--her first of teaching.

The Home Ec I class, all freshmen, had units in such subjects as child care, food, and good grooming. For Christmas they made candy for the faculty members--a little bribery, perhaps? All the girls made dresses for the sewing unit.

The Sophomores in Home Ec II are a little more advanced. Their sewing projects included a variety in kinds and styles of garments. For the babysitting unit, they invited young children to a party. Besides helping with the Library Club dinner, they also presented a faculty luncheon for Easter.

The Family Living class of Juniors and Seniors had emphasis on room planning, money-management, and insurance buying. For something special they gave a dinner for the school board members and their wives, and also assisted with the Library Club dinner.



AGRICULTURE

Agriculture I, II, III, IV
Ag. Occupation

ROBERT BERNARD
University of Wisconsin, B.S.
Vocational Agriculture

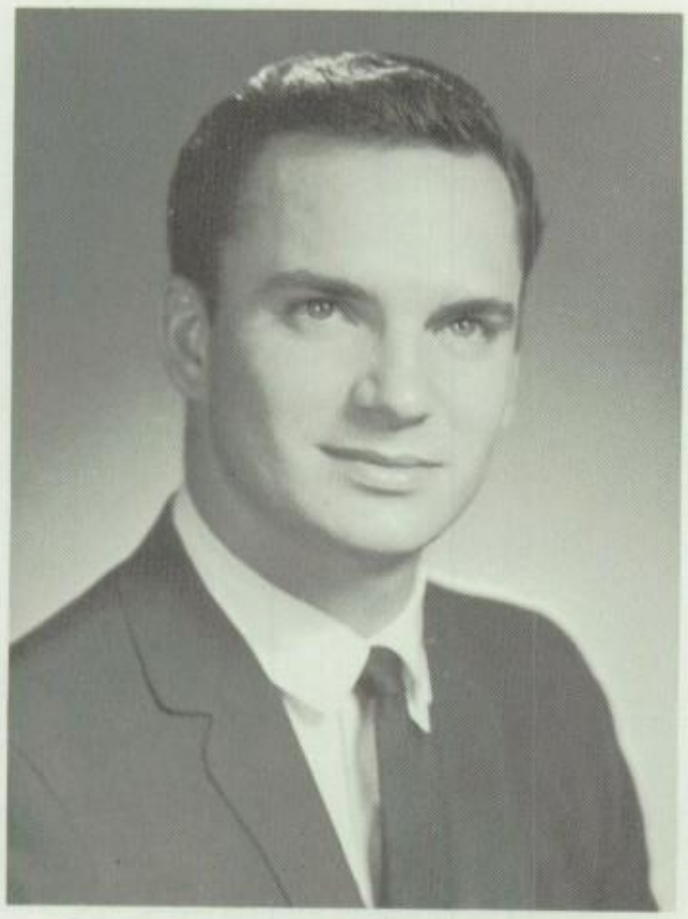
Robert Bernard, the Vo-Ag instructor has set up a four year program that carries his students through four years of vigorous study and shop work in Agriculture.

As a boy enters his freshman year in Agriculture he is first oriented into Future Farmers of America. He is, also, taught a program of Parliamentary Procedure and the conducting of F.F.A. meetings. He learns record keeping, swine, poultry, sheep management, dairy feeding, and the proper use of power tools.

In his second year of Agriculture he studies basic soils, soil profits, understanding soils, soil and grain judging, weed identification, soil sampling, welding, and planting crops.

In the junior year of Agriculture the student studies more extensively subjects studied before plus surveying, plumbing, and maintenance of electrical engines and tractors, marketing, spray painting, and metal lathe.

The final year of Agricultural training is spent studying farm management, planning Agricultural career, farm loans, and rural living.



CARL SCHWERDTFEGER
McKendree College, B.A.
Major--History
Minor--Sociology

HISTORY

World History
American History
American Problems

The story of man has long fascinated many a student, and students at E.H.S. are offered three courses related to history. Mr. Schwerdtfeger is the teacher.

World History is a freshman-sophomore course which touches lightly on the world cultures of the past and the present. In the course Mr. Schwerdtfeger emphasized man's inhumanity to man.

American History--a requirement for all Juniors--undertakes in depth the study of the War Between the States, using many outside resources for references. It is also becoming an annual event for this class to enter the Historical Essay Contest. In American History the emphasis is placed on causes of military conflict.

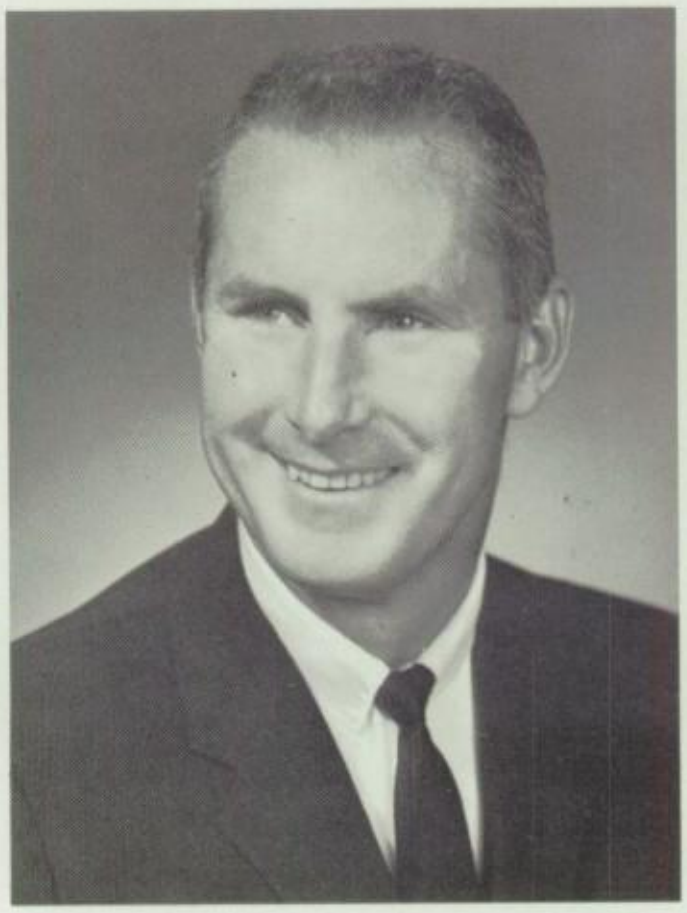
Every spring ten students travel to Galena to observe the processes of County government. To choose these delegates, the high school is divided into two groups--those with odd-numbered lockers are C.U.P.'s and those with even-numbered lockers are P.S.A.'s. Each party chooses a slate by means of a primary election and then the two rival parties throw an enthusiastic campaign. The Seniors run the election details, and the candidates come from the Junior class.

American Problems--a Senior required course--begins with a study of government and then, briefly touches the subjects of Illinois history, Sociology, Psychology, and Economics. For part of the course, students write their own textbooks.

PHYSICAL EDUCATION

BOYS P.E.

RICHARD CARROLL
Murray State College, B.S.
Peabody State College, M.A.
Major--Phys. Ed.
History
Minor--History



GIRLS P.E.

JACKLYN TUCKER
Northeast Missouri State
Teachers College, B.S. Ed.
Major--History
Minor--Phys. Ed.

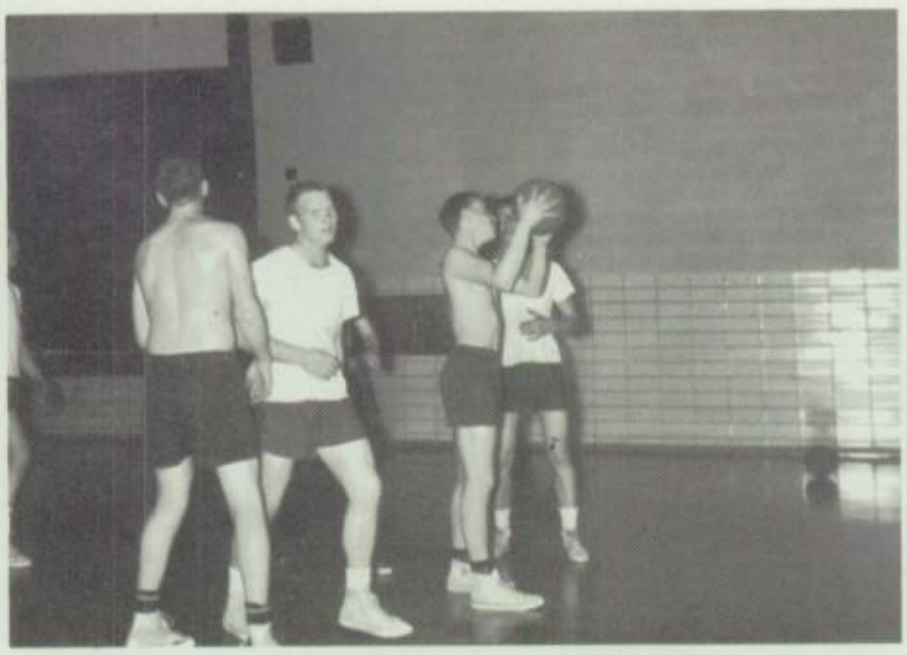
Mr. Carroll had a diversified schedule, teaching three very different subjects; Mechanical Drawing, Drivers' Education, and Physical Education. As if this weren't enough, he also coaches the varsity basketball team, the track team and the baseball team.

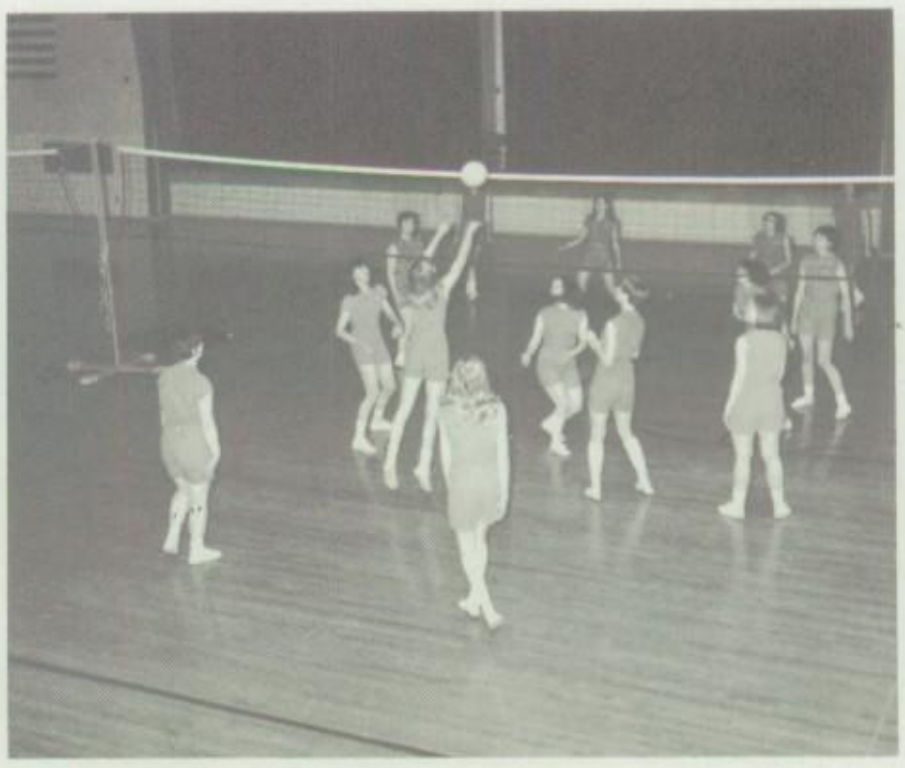
Mr. Carroll has three classes of Boys' Physical Education. The sports that they play vary with the weather. In the fall and spring out-door sports such as soft ball, soccer and track are played. In-door sports include volleyball, basketball, hockey, and every-one's favorite--dodgeball.

This year our school was fortunate enough to have a full-time girls' Physical Education instructor. Miss Tucker came here directly upon graduation from college.

The girls in Miss Tucker's class this year had an opportunity to sample many different kinds of sports including soccer, bas-ketball, volleyball, tumbling, badminton and deck tennis.

Miss Tucker is in charge of the Physical Education of the Junior and Senior High School girls as well as the Grade School.





SCIENCE

General Science
Biology
Chemistry
Physics

DUANE KUHL
Northern Illinois Univ., B.S.
Major--Biology
Minor--Physical Science

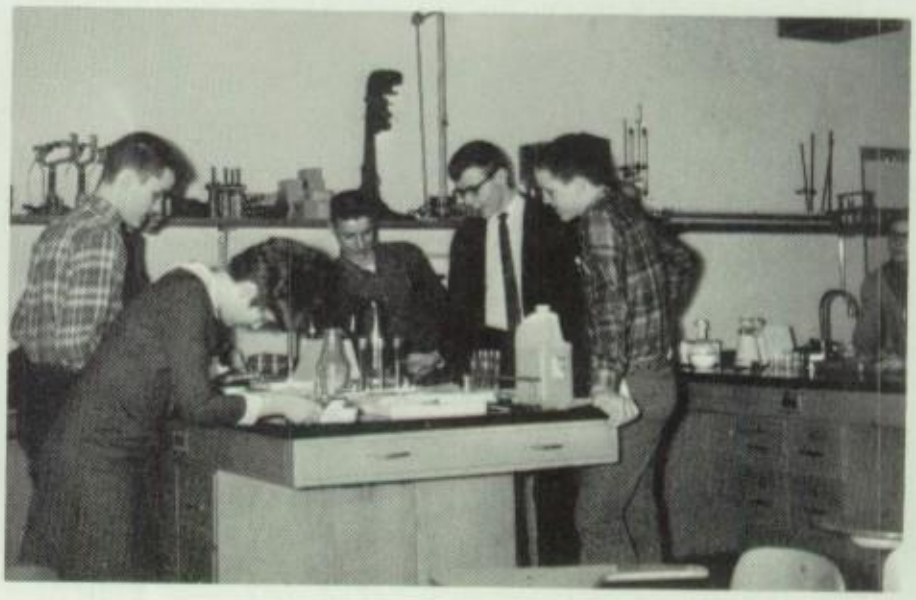
Our one and only science teacher, Mr. Kuhl, instructs five science classes.

All freshmen must conquer or be conquered by a course called General Science, which briefly covers many diverse areas of science including electricity and astronomy.

The Biology course is compulsory for Sophomores. This year each young biologist made an insect collection, and, as an addition to the Science Department, constructed butterfly nets. Their many field trips included one on bird-watching.

Chemistry this year was a challenge to the Juniors who took it. More lab work, write-ups, and chemical analyses were done by this class than any other Chemistry class before them. The students produced substances studied their properties, and learned to apply their knowledge.

Physics is the physical science which deals with matter and energy. This year's class had particular fun studying waves with a ripple tank. Throughout the year the class made use of a new and challenging textbook as a cross reference, studying such subject areas as atomic structure, forces, heat, and electricity.



COMMERCIAL ARTS

Shorthand
Bookkeeping
Office Practice
Typing I

DOROTHY DAWE
Illinois State Univ., B.Ed.
Major--Business Education
Minor--Music

Mrs. Dawe teaches five classes of business training. These classes are made up entirely of Juniors and Seniors.

Mrs. Dawe's class of Junior girls found that shorthand takes a lot of practice. The skill that they have learned will come in handy in many areas after graduation, especially for work in a small office.

Seniors who have completed Typing I may take Office Practice, consisting of skills which may be used in an office job and in many other fields. Office Practice is a review of shorthand, typing, and filing. Each student has the opportunity to use the electric typewriters and other machines such as the ditto and mimeograph.

Typing class is made up of Juniors and Seniors. By the end of two semesters, a student can type an average of 40 words per minute and has a working knowledge of everyday typing problems that he might confront.

Fifteen Seniors learned the general knowledge of bookkeeping. The study of bookkeeping provides definite and specific opportunities for everyone regardless of his future occupational goal.

LIBRARY

AGNES EDLIN
Rosary College B.A.
Bradley Univ.
Illinois State Normal Univ.
Wisconsin State Teachers College
Major--Library
Minor--English

Ever since Mrs. Edlin came to Elizabeth, our library has been growing and improving in its quality. Today we can be proud of our library--one of the best for the size of the school it serves.

This year alone over 1,000 books have been added. We've increased our magazine and newspaper subscriptions, and we now offer paperback books on sale from our portable bookshelf.

In the grade school, Mrs. Edlin has been planning the centralization of the libraries of grades four through eight. This should be completed next fall. Books purchased for this grade library are mostly reference books.

Gift money left to us in memory of Mrs. Mabel Hood has been used to purchase special books, mostly for the upper elementary grades.

Thus, with such a library and such a librarian, there is no reason for students not having well-prepared lessons.

DRIVER'S EDUCATION

In Driver's Education each student must have a total of 36 hours in the classroom and 6 hours behind the wheel. The Sophomore class is divided for this class, one-half taking it first semester, the others taking it second semester.

INSTRUCTOR: MR. CARROLL

MECHANICAL DRAWING

The Mechanical Drawing class dealt with orthographic projection. The students also drew the blueprints for various objects which were then constructed in the Agriculture Department. This was something new for this class.

INSTRUCTOR: MR. CARROLL

BUSINESS LAW

Law governs the everyday activities of our lives to a greater extent than most of us realize. For this reason, a course in Business Law was offered this year. In this class, stress was placed not only on our legal rights but also on our legal duties, obligations and liabilities.

During the year the students learned about legality of contracts. bailments, insurance, and negotiable instruments.

INSTRUCTOR: MR. THOM

GIFTED PROGRAM

One of the great principles of American Education is the right of every student to an education. This right includes, as do all rights, heavy responsibility. In this case the responsibility falls on both the school and the student, for both must do their best in order to achieve maximum gain for the student.

To provide a deeper and more varied educational experience for better students can often be a problem in a small high school. To accomplish this Elizabeth High School has selected five students, including underachievers and overachievers, for participation in the Gifted Program. Each student has received emphasis in each of his or her academic areas as well as a counselling period once a week for the benefit of school and student alike. The program has included research, study, discussion, discovery, and, in general, extra work for those involved.

Some of the areas studied have included logic, prejudice, literature, extremism, anthropology, and many more.

Much has been learned by students and faculty alike and, perhaps the greatest lesson, we have found much more that we must learn.

Carl Schwerdtfeger, Director
Program for the Gifted Students
Elizabeth High School

ANNUAL STAFF

It is fitting that we the Annual Staff share this particular page. Believe us, it takes a real gift to put a book like this together.

An Annual Staff is a funny organization; it takes on a secret club atmosphere--everyone knows it exists but no one knows who's in it. Despite this seeming confession of disorganization, the invisible workers have once again toiled into the midnight hours to complete this book that we now present for your perusal.

We have initiated changes. Progress dies without change. I sincerely hope that you approve of our changes and enjoy this year's TERRAPIN.

Some night, when you happen to be waiting for a ride, and you hear the sounds of typing, laughter, and the scratch of pencils. Whisper a little "Good Luck" into the darkness, because as sure as anything, that's an Annual Staff and they need all the Luck they can get!

SENIOR BAND AND CHORUS

The Senior Band began its new year with a few new faces and minus a few older ones. With the beginning of school, early September. During the fall we played at the homecomings of Hanover, and Warren. In December, the chorus joined the band in presenting the annual Christmas concert. On February 13, seven band members and nine chorus members were able to participate with other county band and chorus members at County Music Festival, which was held at Stockton. On that same day, the band entertained at the County Teachers' Institute, which was held at our school. On March 11, the two groups--band and chorus--traveled to Ashton for State Music Contest where we are judged on appearance, performance, and sight-reading. This year the band received an "excellent" rating; the chorus a "good" rating. On April 7, we presented our annual Band Carnival, which combines music with games and culminates with the crowning of the King and Queen. On April 15, some of us again journeyed to Ashton--this time for Solo and Ensemble Contest. The results were wonderful; we received seven "superiors" and eleven "excellents." In May our annual Spring Concert was held. Our last performance was, of course, at high school graduation where we perenially lose our Senior members and hope for a talented crop of Freshmen for next year.

GAA—PEP CLUB

Compared to former years, the GAA has been relatively active. In addition to other after-school meetings, we've sponsored a bowling party and a swimming party which were enjoyed by everyone. In the spring, we planned a slumber party.

The Pep Club tried to install enthusiasm by having posters up for every basketball game. The Club also tried to boost school spirit by inviting interested boys to become associated members. That is the reason you see some in the picture. The boys are members of Pep Club; the girls are all members of both GAA and Pep Club.

SCHOLE

CLOCKWISE: Susan Lunning, Judy Carroll, Mrs. Edlin, Susan Carroll, Lissa Lunning, Carol Thompson, Gloria Ehler, Mary Jean Breed, Connie Kahl, Mr. Van Tiger, Colleen Lee, Nancy Roberts, Charles Chapin, Sherry Westphal, Pam Klopf. Elizabeth High's recreational reading group--bringing the classics to the students.

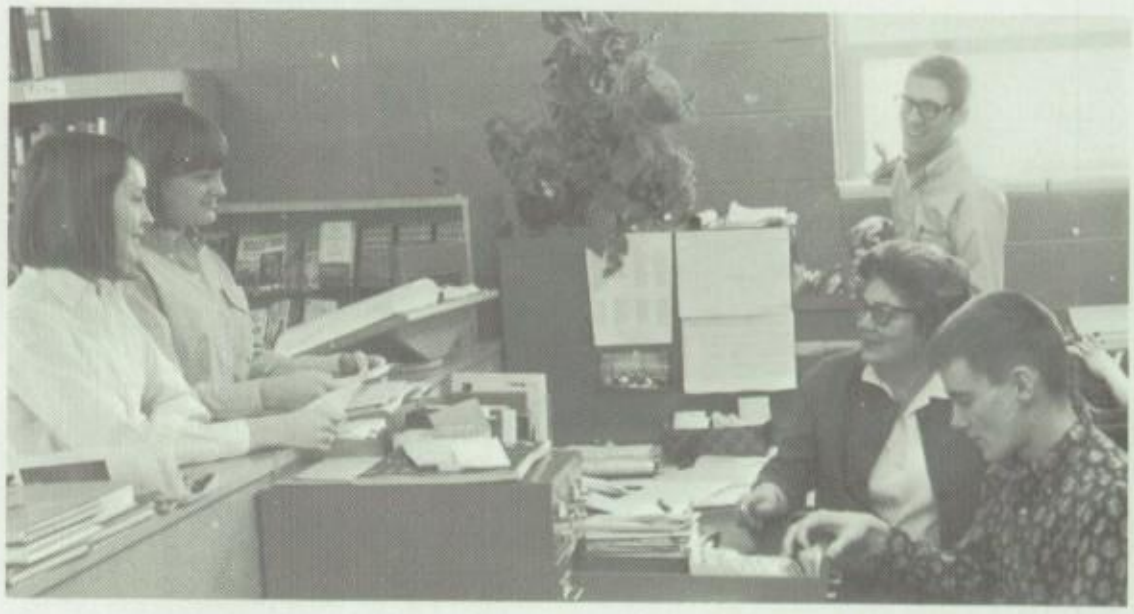
OFFICERS

President: Judy Carroll
Vice Pres.: Brad Albrecht
Treasurer: Diane Fischer
Secretary: Dennis Albrecht
Advisor: Mrs. Edlin



This year the Library Club increased in number as well as efficiency. It organized into groups, each with a specific job to accomplish within the library.

The club had two guest speakers. Miss Ann Borsdorf spoke on fantasy, reading selections from "Wind in the Willows" and "Winnie the Pooh". The other speaker, Miss Hildegarde Stack, spoke about her specific duties as reading consultant at the P.A.C.E. center.

In February the Library Club entertained the Stockton High School A.F.S. student from Turkey for a day.

In past years the club has taken trips to Dubuque and Rockford to visit libraries and educational centers, but this year due to the increase in members, the club decided to have a smorgasbord dinner with the theme "Reading Is What's Happening Around the World". Foods from thirty-one different countries were served.

All in all, the Library Club has been very active this year.

SPEECH CLUB

LEFT SIDE: SEATED, Advisor, Charles Van Tiger, Jan Chiaverina, Constance Kahl, Mike Read, Roger Eickman, Tom Virtue. STANDING: Jim Wand, Pam Klopf, Judy Schnitzler, Lee Robinson, Charles Chapin. CENTER: Lissa Lunning. RIGHT SIDE: SEATED, Marc Schultz, Mary Breed, Susan Lunning, Nancy Roberts, Susan Carroll, Sally Breed, Advisor, Carl Schwerdtfeger. STANDING: Mark Reifsteck, Bill Waser, Carol Eickman, Carol Albrecht, Colleen Lee, Cathy Stebbins.

YOUNG ELIZABETHANS SPEECH CLUB

When the Speech Club organized this fall, our goal was to learn the technique of debate. We studied the form for debate and divided ourselves into groups to research the debate topics for this year. We had several intramural debates.

Loras College and Freeport High School both demonstrated to us some of debate's strategies.

On March 4, our debate team--Tom Virtue, Mike Read, Roger Eickman, and Marc Schultz--journeyed to Ottawa to participate in Sectional debate competition. They did well considering their lack of experience and the stiff competition. They won one round.

After our debate competition, we divided the club into four groups dealing with one of the following projects: speeches, one act plays, serious readings, and poetry.

FHA

ROW 1: Pam Klopf, Carol Thompson, Mary Ruty Huttenlocker, Cindy Parrot, Nancy Breed, Carol Haas, Janie Krohmer, Ilene Holland, Colleen Lee. ROW 2: Advisor Miss Ripperger, Janeile Westphal, Cathy Honeyman, Jen Bausman, Cheryl Huebner, Carol Albrecht, Kathy Madigan. ROW 3: Carla Nardin, Margaret Meyerhofer, Susan Carroll, Kathy Hopkins, Judy Schnitzler, Betty Wand, Sally Breed. ROW 4: Janet Robinson, Cindy Haas, Shelia Westphal, Patty Parrot, Judy Knauer, Cathy Hutcheson, Gloria Erhler, Mary Ann Costello, Jackie Lief.

The F.H.A. began the school year by attending the annual fall rally at Durand High School.

Our main activities of the school year were our monthly meetings with guest speakers on careers. We were able to have the following career representatives: former social worker, guidance counselor, beautician, and three nurses.

We had a Mother-Daughter Brunch, at which we explained F.H.A., installed the new officers, and initiated new members.

In October we held a Halloween Party with the F.F.A. At our December Christmas Caroling and Pizza Party, each F.H.A. member brought a gift, which was taken to the Freeport Orphanage. The F.H.A. and G.A.A. girls had a combined slumber party in April. We planned a trip for May 20 which included the following places: The Grotto at Dickeyville; the House on the Rock at Dodgeville; and Frank Floyd Wright Estate at Springgreen. Each member on this trip took a sack lunch. At our May meeting we elected officers for 1967-68, as well as Chapter Mothers.

STUDENT COUNCIL

STANDING: Nancy Breed, Lissa Lunning, Kathy Honeyman, Marc Schulz. SEATED: Sally Breed, Dennis Albrecht, Susan Lunning, Mr. Thom.

FFA

The Elizabeth F.F.A. Chapter has been active in many different areas.

Some of the judging contest that it has participated in were Soils, Judging, Poultry, Small Grains, Dairy Judging, and Livestock.

The chapter also had many boys apply for Sectional Award. They were: Mike Read--Dairy; Ed Haring--Beef; Marion Ertmer--Poultry; Wayne Holland--Livestock Production; Terry Bohnsack--Crops; and Bernard Schreck--Occupational Experience.

The F.F.A. as an organization is run by officers who put a lot of time into the Chapter. This year officers are: Terry Bohnsack--President; Bernard Schreck--Vice President; Ed Haring--Secretary; Robert Spoerl--Treasurer; Marion Ertmer--Reporter; and Mike Read--Sentinel.

This year the Chapter named Mary Jean Breed our Sweetheart at our annual Sweetheart Contest and Dance. Mary Jean will represent us at Freeport.

The meetings are held every first and third Monday of the month: by doing this we are able to take care of all the necessary business.

Another important contest was Public Speaking in which Mike Read won the Prepared Speaking and Ed Haring won the Extemporaneous.

The F.F.A. Chapter is one of the best organizations in the school because it offers so many different opportunities.

ROW 1: Charles Holland, Stan Kloss, Steve Ehrler, Dennis Potter, Mike Read, Marion Ertmer, Bernard Schreck, Terry Bohnsack, Ed Haring, Robert Spoerl. ROW 2: Bobby Wand, Terry Kane, Gary Schnitzler, Sherman Willis, Tim Atz, Jerry Spoerl, ADVISER MR. BERNARD. ROW 3: Donnie Rummell, Jim Diehl, Keith Morhardt, Roland Baier, Jim Dittmar, Mark Reifsteck, Wayne Lief, Jerry Huttenlocker. ROW 4: Greg Haas, Joe Lisk, Tim Bohnsack, Bob Madigan, Bill Allen, Wayne Holland.

FTA CLUB

STANDING: Judy Carroll, Sally Breed, Ann Rutenbeck, Susan Carroll, Carol Albrecht, Jayne Krohmer, Charles Chapin, Diane Fischer, Nancy Roberts, Carol Eickman, Bill Waser, Tom Virtue, Susan Lunning. ROW 2 (SEATED): Judy Schnitzler, Connie Kahl, Jane McLamarrah, Helen Holland. ROW 1: Mr. Thomas (Advisor), Roger Eickman (Treasurer), Lissa Lunning (Vice Pres.), Mary Jean Breed (Pres.), Coleen Lee (Sec.).

The Future Teachers group is made up of students who are planning on college and who are considering the teaching profession.

Our major accomplishment was our Student Teacher Day--which cummulated a week's activities. One purpose of this activity was to acquaint us students with some of the procedures and difficulties of running a school. We elected a school board from the student body who in turn, chose a student faculty based on teacher applications. We were proud of our success and hope that it can be made an annual event.

In December, we invited back former Elizabeth classmates who are now in college for an afternoon of informal discussion.

Like every year, our members attended the County Annual F.T.A. meetings which were held in Stockton and Warren. Our club had several members on the ballot for County office and all were elected: Tom Virtue--President, Carol Eickman--Secretary, and Roger Eickman--Treasurer.

CROSS COUNTRY

ROW 1 (left to right) Lyle White, Kermit Breed, Ed Haring, Randy Krohmer, Dale McCall, Bill Waser, Coach Thomas; ROW 2, Greg Haas, Tim Atz, Jeff Stadel, Jan Chiaverina, Roger Eickman.

The cross country team this year, like the track team, was mainly comprised of underclassmen. This fact did not, however, influence the outcome of the season as might be expected. This year's runners show promise of improvement, thus, a cross country team that is better than ever is in the making.

The cross country meet is comprised of runners from several schools who dash "en masse" toward a designated finish 1.9 miles, hills, valleys, and roadways away. It sounds like a great sport!

The team traveled to Shannon, Galena and Polo besides participating in meets at home. The boys also ran in tough competition at the District Cross Country meet at Rockford.

Cross Country Schedule and Results

Entering high school the first day, the freshman class was young and as yet unexperienced. After the first few weeks of the school routine, however, they had a general idea of the more mature educational environment to which they were now exposed. Their first project was that of selling magazines and a few months later they began the freshman coat and hat check which was operated at school activities. A compensation for the hard work put into these projects was an after school bowling party, highlighted the classes' social activities. All in all, the freshmen agree that this year will be remembered as one of the best.

This year the Sophomore Class fought hard in the annual sale of magazine subscriptions only to find that although they rose above the Freshman Class in the sales, the Junior and Senior Classes defeated their efforts for the highest sales position.

There was a most successful bake sale held in the fall when the whole class pitched in with added sale items such as bittersweet and other decorative things. The Terrapin Basketball Team was backed by the Sophomores in their sale of buttons with "a mighty Terrapin" on each.

The Sophomores this year, as Sophomores in all other years, didn't have as many projects as the other classes, but they've managed to keep quite happy and very busy while looking forward to their next two years in E.H.S.

Our Junior year was a busy one! First on our agenda was the annual magazine drive in which we placed second in the amount of sales. One of our first big decisions was the choosing of class rings. Next came our class play "The Perfect Idiot", which we considered a success. Throughout the year we had several projects for increasing our treasury, including bake sales and car washes.

Over the Christmas holiday we presented our annual "Snoball Dance" with music by the "Hang Five" from Chicago. To climax the year we honored the Seniors by presenting the prom, "Evening in Venice".

Latherley, a soap manufacturer--Lee Robinson
Dan Tennyson, the genius--Roger Eickman
Barnard, school principal--Jan Chiaverina
Miss Baker, a teacher--Carol Haas
Linda Barnard, the principal's daughter--Susan Lunning
Jeannie Wilson, Jackie's girl--Betty Wand
Puff Witomski, star athlete--Tom Virtue
Carla Carlson, Puff's girl--Cathy Hutchison
A Policeman--Jim Haas
Dr. Von Barf, a psychiatrist--Bill Waser
Miss Booth, a newspaper reporter--Gloria Ehrler

"AN EVENING IN VENICE"

"An Evening In Venice" was the theme of the Prom this year. The Juniors spent a great deal of time and had a great deal of fun trying to make it as realistic and entertaining as possible. Tables were arranged in a "side walk cafe" with the walls decorated as store fronts. The central theme was a huge white Royal Gondola in which the King, Terry Bohnsack, and Queen, Mary Jean Breed, were crowned.

Probably the most interesting part of the evening was dancing the "old-fashioned" steps to the SLOW music of the Velvetones. It was a great prom and most all of the Juniors agree that they would do it all over again.

SENIORS

Officers '67:
Robert Breed, Treasurer
Mary Jean Breed, President
Rick Dittmar, Vice President
Jayne Krohmer, Secretary

In the fall of 1963 we entered Elizabeth High School, wide-eyed and inexperienced. As Freshmen we chose Rick Dittmar, President; Jim Hayes, Vice-President; Lissa Lunning, Secretary; and Ann Rutenbeck, Treasurer. Robert Breed and Charles Chapin were Student Council representatives. Freshmen advisors were Mr. Thomas and Mr. Peverly.

Past the "scared freshmen" stage, we returned to school in '64 as sophisticated Sophomores. Officers were: Mary Jean Breed, President; Rick Dittmar, Vice-President; Connie Kahl, Secretary; and Robert Breed, Treasurer. Student Council representatives were Brad Albrecht and Ann Rutenbeck. Mr. Carroll and Mr. Bernard were class advisors.

For the busy Junior year our officers were President, Rick Dittmar; Vice-President, Robert Breed; Secretary, Mary Jean Breed; and Treasurer, Dennis Albrecht. Lissa Lunning and Brad Albrecht served as Student Council. Mr. Kuhl and Miss Bolton were our sponsors. Our Junior Play--"Books and Crooks"--was a huge success with many of the class members acting for the first time. On May 15, 1966, we presented the Seniors with our Prom, "Southern Plantation", a beautiful farewell token.

The Senior year was irrefutably our busiest! In September the girls participated in the Community Fair tug-of-war, beating the Junior girls in a hard fight. We also had a refreshment stand at the Fair.

Throughout the year we sponsored work days, one car wash, many bake sales, two rummage sales, and several record hops. We also had two dances: one in the fall with the "Hang Five," the other in the winter with the "Road Runners." We learned the art of selling by peddling shoe polish, magazines, candy bars, and tickets of every kind.

Like all Seniors before us, we ran the refreshment stand at basketball games. We sponsored a card party, a hootenanny, and a very successful class play.

We also had some unique ideas for money-making, although some were not successful: collecting scrap iron, hunting pidgeons, and selling walnuts. Following a schedule like that, how could we help but earn the required amount for our trip?

On May 26, we received our diplomas, and joined the ranks of free men. We then left EHS, with fond memories and high ideals.

I, Carol Thompson, will my ability to move away to Mr. S.
I, Tom Young, will my Klu Klux Klan membership card to Mr. S.

SENIOR CLASS PLAY

This year the Senior play initiated the new look in E.H.S. theater--theatrical flats which will streamline stage production in the future years. With the Seniors supplying the initiative, ingenuity, and a quarter of the cost, another first was scored for Elizabeth High. To celebrate this collosal feat, the play was presented in the new gym to an all but "standing room only" audience.

The play, "No Boys Allowed", a three act farce by Jean Provence, was gay and delightful. The story involves a girls' slumber party given by Rita Baxter, and the problems caused by a mix-up between her and her boyfriend, Fred. Mr. Midnight, the night prowler, causes pandemonium when he gets involved in the already uproarious play.

CAST OF CHARACTERS

Mr. Midnight	Bob Arnold
Rita Baxter	Mary Jean Breed
Jane Baxter	Judy Carroll
Victrola	Jayne Krohmer

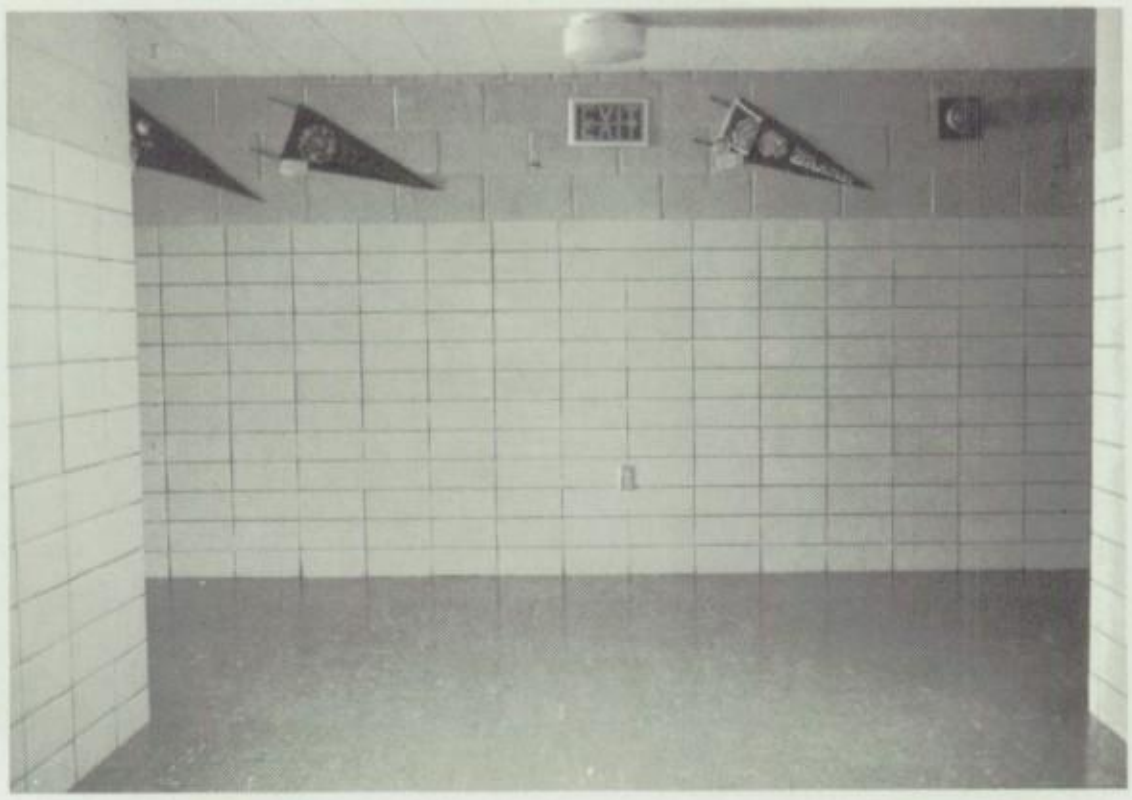
Wednesday--entered Canada boat trip of 1000 Islands
Thursday--Montreal and EXPO
Friday--toured Montreal and returned to Expo
Saturday--Niagara Falls
Sunday--Detroit and Greenfield Village Poolside Pizza Party
Monday--HOME

EPILOGUE



We have come to the end.
The hall turns. We must take the exit.
Two weeks ago, Time crawled. Now it flies on the winds.
Must WE go? Surely you mean someone else, not us.
The others are turning. They take the right;
We, the left--the exit.
The halls sing a song of silence that hurts our ears.
We reach out to the walls we tenderly loathed but two weeks ago.
How can we exit without words to say "Good-bye" and "Thank-you"?
But one can not say "Good-bye" to an arm.
Our Beginning awaits.
We hesitantly, but expectantly and joyfully comply to its beckon.
The Past lives in our Futures.
We shall not make you sorry.

TRIBUTE TO EDITOR--THE ANNUAL STAFF WOULD LIKE TO THANK OUR EDITOR-IN-CHIEF, LISSA LUNNING, WHO HAS DEVOTED MANY HOURS OF WORK ON THIS "TERRAPIN."
